PREFACE

TRANSPORTATION . . . RAIL: Roanoke Rapids is served directly by the Seaboard Air Line Railroad which operates in six Southeastern States and in connection with other Railroads through transportation service is provided to all other parts of the Country . . . Freight and passenger service is provided by regular scheduled freight and passenger trains operating daily northbound via Norfolk, Va., and connections to the East and southbound via Norlina for Southern and Western traffic . . . The Atlantic Coast Line Railroad's main line runs through Weldon, N. C., 4 miles east of the City.

BUS: Roanoke Rapids is well served by the Carolina Trailways Bus Company with 33 trips in and out of the city in all directions daily. One urban bus company, Roanoke Transit Company, provides Roanoke Rapids with frequent trips throughout the city. Hammock Bus Co. makes trips to and from Gasburg, Va. daily.

TRUCKING: Six motor carriers, operating the most acceptable trucking, have terminals and offices in or near Roanoke Rapids and through interchange with motor carriers in other cities offer truck and freight

PREFACE

(Continued from Page 8)

transportation to almost any point in the United States. The names of these companies are as follows:

Bottoms-Fiske Truck Lines
Thurston Motor Lines
Carawan Transfer Co., Movers
Overnite Transportation Co.
Bell's Alice Truck Lines
McDaniel Trucking Co., Movers

In addition to the local carriers named with local offices and terminals, there are numerous out-of-town companies serving Roanoke Rapids, including some of the best known and established motor carriers. With the present industrialization of Roanoke Rapids, motor freight service is excellent.

AIR: Although Roanoke Rapids is not, at present, served by any commercial air line, there are three sod runways, 3,000 feet long, lighted for night landings, and "T" hangers. It is open 24 hours a day and has Charter Flights and Airplane Rentals. It is located approximately three miles west of the city on U. S. Highway 158.

AIR FORCE FACILITY: The 632nd Aircraft Control and Warning Squadron (85th Air Division), a unit of the Air Defense Command, is located in the Southwest adjacent area to Roanoke Rapids. This unit is part of the chain of Radar Defense surrounding the United States.

EDUCATION: The public schools of the City of Roanoke Rapids are maintained and operated by the State of North Carolina. However, the city supplements the state funds with the funds raised by the $.50 per $100 property valuation as allowed by state law. These additional funds are used by Roanoke Rapids to have an improved school program over the ones made possible by state and county funds alone.

The Construction of new buildings is a responsibility of the County under the present state-wide school law. At the present time Roanoke Rapids has eight schools including 1 junior high, 2 senior high and 5 grammar schools. They have a full time staff of 118 teachers for approximately 3,000 students.

The city has a small, but growing, public library with over 3,000 volumes. The City Library located in the Armory, has access to books in the County Library at Halifax by way of the bookmobile. Started by the Womans Club and sponsored by the City and Community Chest, the City Library has grown in interest and in volumes each year. Tentative plans call for the construction of a library building in the future.

BUSINESS: Roanoke Rapids is the urban center of Halifax and Northhampton Counties and is therefore the trading center of a large territory in northeastern North Carolina and southeastern Virginia, 1952 business census gives the effective buying power for: A-Roanoke Rapids $11,592,000.00, B-Per Capita $1,397.00, C-Per Family $4,830.00. Halifax County effective buying income is $48,679,000.00. Retail Sales for Halifax County $40,129,000.00, Roanoke Rapids $16,137,000.00. Roanoke Rapids Trading Area is an irregular circle with a 30 mile radius with an estimated population of 172,000. Buying power of people in this area is estimated at $150,000,000.00. Roanoke Rapids is rapidly developing its agricultural commodity markets for peanuts, cotton and sweet potatoes, which are the main agricultural products grown in this

(Continued on Page 10)

area. Due to the livestock interest in this section grain is becoming an important crop.

Important to and compliments of the business life of Roanoke Rapids are the financial institutions. There are three commercial banks with assets of $7,173,661.59 and deposits of $6,433,657.77 as of October 1, 1953. Three building and loan associations with assets of $2,843,036.82 and deposits totaling $2,518,199.56, are important factors in residential constructing and financing.

INDUSTRY: Roanoke Rapids is a city of industry having four large textile mills employing over 4,000 people, one large paper and pulp mill and one paper board mill with approximately 700 employees and numerous smaller industries.

Roanoke Rapids has ideal locations for additional industrial development. Adequate water, both purified and raw, and electrical power at reasonable rates, make this area ideal for the location of new industries.

RECREATION: Four professional trained directors operating a full time 12 months recreation program. Plus commercial recreation, and hiring 25 additional workers for summer programs.

AMUSEMENTS: Motion picture theatres, 2 indoor and 3 outdoor, auditorium with a 2000 seating capacity. Public swimming pool, tennis courts, golf course (private) and a bowling alley with 5 alleys.

RELIGIOUS, SOCIAL AND CIVIC: Churches 25, representing all leading denominations. Social—one country club and over 10 clubs representing leading national and international organizations.

With these advantages, Roanoke Rapids offers the home seeker or industrial enterprise a community where life may be lived enjoyably and to the fullest advantage and where business may be conducted with the greatest efficiency.

GIVING NAMES OF HOUSEHOLDERS, THE NUMBER OF OCCUPANTS IN EACH HOUSE AND DENOTING BUSINESS PLACES

VOL. XII 1956 - 1957 VOL. XII

NOTE—Streets are arranged in alphabetical order. All house numbers are arranged numerically following the description and location of each street, giving the name of householder. The number in parenthesis after name denotes number of occupants in each house.

Dash (—) before name denotes that number is wanting.

(®)—Before name denotes home-owners.

(*)—Purpose of star (*) in front of name is generally used to denote colored person or firm, but its use is so varied that we assume no responsibility for errors or the wrong use of same.
